 Grants must be used within 12 months of receipt unless prior arrangements are made with the Hawke's Bay Foundation. If necessary, an extension request may be submitted in writing, detailing the funds usage to date and expected project completion date. Approval of any extension is not automatic and is at the discretion of the HB Foundation.
 All organisations receiving funds are required to report back within 12 months on the use to which those funds have been put. A staff member must attend a Round Table session to present the update on the year and use of funds. Further applications for funding will not be accepted from any organisation that has not provided a satisfactory accountability report for a previous donation, nor attended a Round Table session. Please note that this means that although an organisation has 12 months to spend the funds and supply a satisfactory accountability report, only those organisations who are able to do so prior to the closing date of the following

 Our Philosophy is to provide assistance to heal problems rather than manage them that is to give "a hand up not a hand out". The trustees have preferences for initiatives that assist groups and communities that are working towards meeting their own needs and have sustainability when the Foundation funding ceases.
